EW1530

Projector Ceiling Mounting Bracket

Easily mount your projector to the ceiling

- Universal ceiling mount for projectors
- Suitable for both flat and sloped ceiling
- Cable management system
- Adjustable length from 430 to 650mm
- Maximum supported weight: 20 kg

DESCRIPTION

The EW1530 Universal Projector Ceiling Mount is suitable for the most common used projectors. Perfect for use in classrooms, meeting rooms, hotels, bars, restaurants and more.
Thanks to the four adjustable support arms, retractable column and mounting holes, the mount can be positioned in many directions. The EW1530 can be used on both flat and sloped ceilings as the fixing plate has an adjustable inclination. The cables are hidden in the center column.
With the quick-release connector you can mount and dismount the projector easily.
