PL3320

Comfortable over-ear Gaming Headset

Play your games with powerful bass support

- Comfortable over ear pads and adjustable padded headband
- Powerful bass unit
- With volume control and microphone mute switch
- Compatible with Xbox One and PlayStation 4 by using the included jack adapter
- Tangle-free nylon braided connection cable

DESCRIPTION

The PL3320 comfortable over-ear headset has a powerful bass. The volume control and microphone mute switch lets you control your audio on the fly. Suitable for gaming on your pc, Xbox One and PlayStation 4. No tangles anymore with the tangle-free nylon braided cable.
In-line volume control
Control the audio easily by yourself with the in-line volume control and microphone mute switch. Mute yourself easily if you dont want your fellow gamers to hear what you are saying, but just want to listen to what they are talking about.
Compatible with Xbox One and PlayStation 4
The over-ear headset has an adjustable microphone and comfortable ear pads. Use the included 3.5mm jack adapter cable to connect the headset to your Xbox One and PlayStation 4.
Tangle free nylon cable
Enjoy playing your games freely and dont get distracted by a tangled cable with the nylon braided cable.
