EM8721

Remote Control (suited for the EM8710 Wireless GSM Alarm System)

Control your alarm system

- Remote Control suited for Eminent EM8710 Wireless GSM Alarm System
- Arm, partially arm and disarm the alarm system
- With SOS switch
- Works via the long range 868MHz frequency
- Easy attachable to your bunch of keys

DESCRIPTION

The EM8721 Remote Control is suited for the Eminent EM8710 Wireless GSM Alarm. Arm, partially arm or disarm the alarm system by pressing only one button. In case of emergency trigger the SOS switch and the alarm system will send out a message. The remote control is working via the 868MHz frequency. This ensures a long range of 150 meters between the alarm system and remote control. Attach the remote control easily to your bunch of keys.
