EW1192

Smartphone Fast Wireless Charging Stand (Successor for EW1190)

Charge your smartphone wirelessly with Qi technology

- Charge your smartphone (with Qi support) wireless and fast
- Convenient stand for video calling and video conferencing
- Stable placement thanks to the non-skid rubber base
- USB-C cable included

DESCRIPTION

Charge your smartphone wirelessly with the EW1192 Smartphone Charging Stand. This space-saving stand supports the Qi wireless charging technology. Just place your smartphone on the stand and it will start charging* immediately. Put the stand on your desk and get the ideal viewing angle. Convenient for video calling and video conferencing.
Qi technology: charge your smartphone wirelessly
No more hassle with cables anymore! Just place your smartphone on the EW1192 stand and your smartphone will start charging directly. The stand supports the Qi wireless charging technology. Get the optimal fast charging performance by using a fast charger.
Perfect viewing angle
The smartphone stand is space-saving on your desk. Besides, the stand is very convenient for video calling and video conferencing thanks to the good viewing angle. Place your smartphone in portrait or landscape mode to get the best viewing angle. Your smartphone is being kept in place thanks to the non-skid rubber base.

*Your smartphone must support Qi wireless charging.
