EW1315

1-Port USB-C Home Charger 18W with Power Delivery

Charge your smartphone/tablet fast

- Charge smartphones and tablets via USB-C
- Supports fast charging for Power Delivery enabled devices
- Compact design, easy to take along
- Charging stops automatically when battery is full
- Worldwide applicable: 100-240V AC input
- With over temperature protection, over voltage protection, over current protection and short circuit protection

DESCRIPTION

Use the EW1315 1-Port USB-C Home Charger 18W to charge your smartphone/tablet via USB-C. The charger supports fast charging for Power Delivery enabled devices. Take the charger easily along by its compact design. The USB-C charger is equipped with over temperature protection, over voltage protection, over current protection and short circuit protection. The charger stops charging automatically when the battery is full.
Charging via USB-C
Does your smartphone/tablet come with a USB-C charging cable? Use the EW1315 USB-C Charger to charge your smartphone or tablet via USB-C. Take the charger easily along by its compact design.
Fast charging with Power Delivery support
The EW1315 supports fast charging. Does your smartphone/tablet has Power Delivery support? You can charge it even faster with this USB-C charger than via a conventional USB-C charger. The PD chip in the charger communicates with the PD chip in your device to get the best charging performance.
Fourfold protection
The EW1315 is equipped with over temperature protection, over voltage protection, over current protection and short circuit protection. Besides, the charging stops automatically when the device is fully charged.

TECHNICAL

- Input Voltage: AC 100-240V 50/60Hz
- 1x USB-C port: 5V/3A, 9V/2A 12V/1.5A
- Power delivery support: Yes
- Power usage max.: 18W
- Power usage stand-by: 0.2W
- Dimensions in mm. (WxHxD): 44x20x85
- Weight in grams: 68

LOGISTIC

- Product Weigth: 112.00 g
- Retail packaging Dimension (mm): 178 x 163 x 67
- Retail packaging Weigth: 117 g
