DESCRIPTION

Create backups and bring your files, photos and movies everywhere with the Ewent EW7047 Portable 3.5" Hard disk Enclosure SATA and IDE! Keep your backup and files save and cool with this aluminium case and enjoy high speed data transfers up to 480 Mbps with USB 2.0
Have your own portable hard disk
Create your own portable hard disk! You can easily mount your own desired hard disk in the external EW7047 enclosure and make backups or bring your files, photos and movies everywhere! You can use almost every size of 3.5" hard disk (up to 4 TB hard disks have been tested
Keep your files cool with this aluminium enclosure
Your hard disk will be kept cool within the EW7047 because of the excellent heat conduction of the aluminium enclosure. The enclosure is suitable for a 3.5" SATA or PATA (IDE) hard disk and comes with a enclosure stand, USB cable and power supply.
Plug and Play with USB 2.0
You can plug in and access the files on your hard disk directly thanks to the USB 2.0 interface. This makes the EW7047 external enclosure hot swappable on almost every computer! The enclosure is recognized as a Universal Mass Storage device on Windows and Macintosh computers. Copy, write and move your files with data transfers up to 480 Mbps!
