DESCRIPTION

The Play PL3321 is a comfortable over-ear Gaming Headset with adjustable headband, microphone and powerful bass. The headset is equipped with a RGB breathing illumination effect. The volume control and microphone mute switch lets you control your audio on the fly. Suitable for gaming on your PC, Xbox One and PlayStation 4 with the enclosed jack adapter. No tangles anymore with the tangle-free nylon braided cable.

Breathing RGB illumination
The earpads of the gaming headset are illuminated with a RGB breathing effect.In-line volume control and microphone mute switch
The in-line volume control and microphone mute switch enable you to control the audio easily by yourself. Mute your microphone easily when you don’t want your other gamers to hear what you are saying.Compatible with Xbox One and PlayStation 4
The over-ear headset has an adjustable headband and comfortable ear pads. Use the included 3.5mm jack adapter cable to connect the headset to your Xbox One and PlayStation 4.Tangle-free nylon cable
The USB and mini jack cable of the PL3321 has a nylon braided cover, so the cable will remain tangle-free.
