- Screen: LCD, LED, TFT up to 34 inch and 9kg with VESA 75x75 or 100x100

DESCRIPTION

Create an ergonomic and space-saving work environment by using the full metal EW1515 Desk Mount with gas spring. Place the screen to your ideal height and viewing angle with only one hand by its convenient gas spring system. Ideal for flexible workspaces! The EW1515 Desk Mount is suitable for one screen up to 34 inch and 9kg and is easy to attach to your desk via a clamp or grommet mount.

Ideal for flexible workspaces
When working in an office space with flexible workspaces, you can use the EW1515 Desk Mount with gas spring. The EW1515 is easy adjustable in height and depth without any tools. Tilt, swivel and rotate your screen to create an ideal ergonomic work space and reduce the risk of neck, back and shoulder complaints. Cables are kept out of sight thanks to the cable management system. Additionally, the Desk Mount has integrated USB 3.1 Gen1 (USB 3.0), microphone and speaker extension ports.

With convenient monitor mounting system
Adjust the monitor to your preferences by setting the ideal viewing distance. The desk mount is suitable for one screen up to 34 inch with a maximum weight of 9kg. The EW1515 is fitted with 75x75 mm and 100x100 mm VESA mount. The easy mounting system makes it possible to attach the monitor to the desk mount all by yourself. All mounting gear for both the clamp and grommet mount is enclosed.
Note:
Thank you for choosing our product. To ensure a safe and optimal installation of your Monitor/TV, we kindly ask you to pay special attention to VESA compatibility and the weight of the device.
VESA Compatibility: Ensure that your television is compatible with the VESA standard specified in the mounting instructions. Check the dimensions of the mounting holes on the back of the MonitorTV and compare them with those of the wall mount or floor stand you intend to use.
TV Weight: Carefully check the weight of your television and compare it with the maximum load capacity of the chosen mount. It is essential to follow the instructions provided in the assembly manual to avoid damage to the device and ensure your safety.

TECHNICAL

- Material: Aluminum, Steel, Plastic
- Surface Finish: Powder coating
- Color: Black
- Product Size WxHxD: 117x610x370mm
- Installation: Clamp, Desk mount
- Suggested Screen Size: 17"-34"
- Suitable for: 1 screen
- Weight Capacity Flat Monitor: up to 9Kg
