EW1290

Adjustable CPU Stand on Wheels

Save desk space and protect your computer!

- Mobile computer stand for office or gaming CPU cases
- Protect your computer case against dust and dirt
- Place your CPU under or beside your desk to save space
- Adjustable base from 15.5 up to 25.5 cm
- Equipped with four castors (2 lockable)

DESCRIPTION

The Ewent EW1290 CPU Stand on Wheels protects your valuable computer case in different ways. When using a CPU stand, your computer is not directly placed on the floor anymore, where it is vulnerable to dust and dirt. With a CPU Stand on wheels it's easier to keep the space around the computer clean. The Ewent EW1290 CPU Stand has 4 swivel castors (2 lockable). The EW1290 CPU Stand supports many types of computer cases thanks to the adjustable base.
