

EW1535

Desk Stand for 1 monitor up to 34 inch with VESA

- Universal monitor desk stand with easy mounting system suitable for monitors up to 34 inch and 8kg with VESA 75x75 and 100x100
- Convenient screen adjustment: adjustable height/tilt/rotate/swivel to prevent neck- and back complaints
- Integrated cable management system, Allen key storage and Phone holder
- 3 pivot points to get the best viewing distance

DESCRIPTION

The EW1535 full metal Monitor Desk Stand creates an ergonomic and space-saving work environment. Put the stand easily on your desk. Attach one screen (up to 34 inch and 8kg) with the easy mounting system to the desk stand and set your ideal height and viewing angle. You can tilt, rotate, swivel and align the screens individually and thus avoid back, neck and shoulder complaints. The stand has an integrated cable management system and storage for the Allen keys.

Height adjustable monitor desk stand: reduce the risk of back, neck and shoulder complaints

Place one monitors (up to 34 inch and 8kg) on the ergonomic EW1535 Monitor Desk Stand. The stand has 2 pivot points for the best viewing distance and to save space. Adjust the height and viewing angle to your own preferences. You can tilt, rotate, swivel and align the scree individually and thus avoid back, neck and shoulder complaints.

Convenient monitor mounting system

The EW1535 is fitted with VESA 75x75 and 100x100. The easy mounting system makes it possible to attach the monitor to the desk stand all by yourself. All mounting material is enclosed. Keep the cables organised with the cable management system. The EW1535 also has storage for the Allen keys.

Note:

Thank you for choosing our product. To ensure a safe and optimal installation of your new TV or monitor, please pay special attention to VESA compatibility and the weight of the device.

VESA Compatibility: Make sure that your TV or monitor is compatible with the VESA standard specified in the assembly instructions. Check the dimensions of the mounting holes on the back of the device and compare them with those of the wall mount or floor stand you intend to use.

Weight of TV or Monitor: Carefully check the weight of your TV or monitor and compare it with the maximum load capacity of the chosen mount. It is essential to follow the instructions provided in the assembly manual to avoid damage to the device and ensure your safety.
