DESCRIPTION

The EW1540 Mobile floor stand enables you to use a Flatscreen TV where there is no place for desk, ceiling or wall mounting. Use the cart for a flatscreen from 37 up to 70 inch with a max. weight of 50kg and VESA 200x200, 300x300, 400x200, 400x400 and 600x400. Choose the desired viewing height and angle by adjusting the height and turn or tilt the screen. Store a camera and/or multimedia device on the convenient shelves. Store the cables out of sight by using the cable management system.
Mobile floor stand for TVs up to 70 inch
The EW1540 movable floor stand allows you to use a flatscreen from 32 up to 70 inch (max. 50kg) on places without TV mounting possibilities. This sturdy metal stand has lockable wheels to move the cart to the desired direction. The stand is suitable for TVs with VESA 200x200, 300x300, 400x200, 400x400, 600x400. The multimedia device and/or camera can be stored on the shelves.Adjustable height and viewing angle
The floor stand allows you to adjust the height of the TV to max. 219cm with the convenience quick release spring. Do you prefer the portrait mode over the landscape mode? Just turn the screen 90°. With the tilt functionality (+10° / -10°) you can set the best viewing angle.Cable management system
The cable management system keeps the cables out of sight and the TV cart can be moved easily in this way.
