EW7051

3.5" USB 2.0 Hard Disk Enclosure

Aluminium enclosure for a better heat dissipation

- Aluminium enclosure for a better heat dissipation
- Fits all 3.5" SATA hard disks, (up to 8TB)
- High Speed USB 2.0 data transfer
- LED indicator on front panel

DESCRIPTION

Take your files, photos and movies along with the Ewent EW7051 USB 2.0 3.5" SATA Hard Disk Drive Enclosure. Your files, photos and videos are safely stored. The solid aluminium housing keeps the HDD cool. Installing a hard disk is very simple thanks to the easy-mounting bracket.
Simple installation by easy-mounting system
Creating your own portable hard disk is a piece of cake. Place a 3,5” hard disk in the mounting tray of the EW7051 and slide the tray into the enclosure. Place the back cover on the housing and connect the cables. You are ready to take your favourite files along!
Keep your hard disk cool
The solid aluminium enclosures keeps the hard disk cool because of the excellent heat dissipation. The enclosure is suitable for a 3.5" SATA hard disk and comes with an enclosure stand, USB cable, screwdriver and power supply.
