EW3933

Power Strip 6x outlets with individual switches

Reduce standby power consumption

- Power strip with 6 Individual outlets (45° angle)
- Each outlet has its own illuminated on/off switch: less standby power consumption
- Child safety protection on each port
- Mount the power strip easily to the wall

DESCRIPTION

The EW3933 6-way Power Strip provides power to your electrical equipment. The individual illuminated switches enable and disable the outlets separately. So standby power consumption will be reduced. All power outlets have child safety protection. Did you know the EW3933 Power Strip can be mounted easily on the wall?
The EW3933 is not suitable for outlets and devices with an earth pin.
