

EW1291

Universal mobile CPU stand

Save desk space and protect your computer!

- Mobile computer stand for placing your computer case under or near your desk
- Protect your computer case against dust and dirt
- Suitable for home use and office use
- Adjustable base: 10.9 cm up to 20.9 cm
- Equipped with four castors (2 lockable)

DESCRIPTION

The Ewent EW1291 Universal mobile CPU stand protects your valuable computer case in different ways. When using a CPU stand, your computer is not directly placed on the floor anymore, where it is vulnerable to dust and dirt. With a CPU Stand on wheels it's easier to keep the space around the computer clean. The Ewent EW1291 has 4 swivel castors (2 lockable). The EW1291 CPU Stand supports many types of computer cases thanks to the adjustable base.
