EW3000

Business USB Keyboard with Quiet Typing, IT Layout

- Full-sized business keyboard for quiet and comfortable use
- Silent keys that reduce the noise more than 50% for a distraction-free environment
- Adjustable tilt legs for ergonomic placement
- Plug & Play with USB connection

DESCRIPTION

Silent for home and office
The Ewent EW3000 keyboard has silent keys so you can type for many hours without disturbing colleagues and family. In addition, the keys are resistant to splashes of liquids and with the adjustable feet it is possible to increase the inclination up to 5 °.

Comfortable and Standard Size
The standard keyboard with numeric keypad makes it quick and easy to enter data, write text, perform calculations and navigate. The curved space bar and easy-to-read keys ensure a simple and comfortable typing experience.

Ready to use
Thanks to the USB connector, the keyboard is immediately ready for use. Just plug it into the available UBS port and you can start typing right away. No driver downloads required.
