EW3957

Cubical Power Socket 3x including 4 USB ports, 1.5m

• Cubical Power Socket with three power outlets, two USB-C ports and two USB-A ports (max. 3.4A/17W) for charging tablets and smartphones; comes with a mounting pad
• Space-saving cubical design: all power outlets and USB ports are easy accessible
• Enable and disable all power outlets and USB ports at once with the ON/OFF switch
• Safe charging: power outlets are equipped with child protection and USB ports have overvoltage and short circuit protection
• Cable length: 1.5m

DESCRIPTION

With the EW3957 Cubical Power Socket you can connect three electrical devices and four USB devices at the same time. The USB ports have a total capacity of 3.4A/17W and overvoltage and short circuit protection. The three power outlets are equipped with child protection. You can put the Cubical Power Block on your desk. Use the included mounting pad to ensure that the Power Block stays in place. Enable or disable all power outlets and USB ports at once with the illuminated on/off switch.
Three power outlets and four USB ports
The EW3957 cubical power socket has three power outlets for connecting electrical devices. The four USB ports (2x USB-C and 2x USB-A) are suitable for charging smartphones and tablets with a maximum total load of 3.4A/17W.
Enable or disable all power outlets and USB ports with one illuminated switch
Use the illuminated switch to enable or disable the whole power socket simultaneously. This is a good feature for your electricity bill AND for safety reasons. You prevent the use of standby power. It is safer to disable all electrical devices at once, instead of having all devices enabled all the time.
Space-saving design
The EW3957 has a space-saving cubical design and takes only limited desk space. All power outlets and USB ports are easy accessible. The included mounting pad ensures that the power socket stays in place.
Overvoltage, short circuit and child protection
The USB ports are equipped with overvoltage and short circuit protection. All power outlets have child protection.

TECHNICAL

• Connection cable length: 1.5 m
• Mounting: Desk
• Colour: White
• Input connector: CEE 7/7 male
• Number of sockets: 3
• Included: Including mounting pad
• Socket type: Type F female
• Cable type: H05VV-F3G 1,5
• USB output: 3.4 A
• Switching: Illuminated switch
• Max. load: 230V AC / 16 A
• USB charging ports: 2x USB A, 2x USB C
