EW3008

Keyboard & Mouse Set with Quiet Typing, SI Layout

• Wired USB mouse and keyboard designed for daily use
• Silent keys and mouse to prevent disturbing your family or colleagues
• Full-sized keyboard for quiet and comfortable use
• Optical mouse with high precision suitable for both left and right handed users

DESCRIPTION

Silent for home and office
The Ewent EW3008 keyboard has silent keys so you can type for many hours without disturbing colleagues and family. In addition, the keys are resistant to splashes of liquids and with the adjustable feet it is possible to increase the inclination up to 5 °.

Comfortable and Standard Size
The standard keyboard with numeric keypad makes it quick and easy to enter data, write text, perform calculations and navigate. The curved space bar and easy-to-read keys ensure a simple and comfortable typing experience.

Ready to use
Thanks to the USB connector, the keyboard is immediately ready for use. Just plug it into the available UBS port and you can start typing right away. No driver downloads required.

Complete set
This set includes an easy to use USB mouse. Ambidextrous design that makes it suitable for use with left and right hands. The click of the trasti is silent so as not to disturb those around you
