- The stable board holds up to 20kg/44lbs.
- Pared-down outlook design effortlessly blends in modern gaming or office setups, practical and sleek.
- Three Installation Ways: Side Clamp, Top Clamp and Freestanding
- Space Saving Design: Free up and gain additional work space on your desk
- Elevates your monitor to the most comfortable viewing position
- Solid steel feet provide strong support
- Design with the simplest appearance but reliable functions

DESCRIPTION

Various devices and accessories take up too much desktop space? EW1547 Desktop Riser is ready to end any crowded desktop by providing more storage space with three ways to install. Side clamping can extend desktop storage space the most. Desktop clamping and freestanding rise items above the desktop as a monitor riser or a storage shelf.
