EW1569

Cable Management Storage Box

- Easily protect cable & power strip from water and dust.
- Cable Management: keeps everything organized
- Vented Design improves ventilation to reduce overheating
- Storage slot holds tablets and phones easily

DESCRIPTION

Perfect cable organizer box. Ideal for hiding the mess of cables that is always in the house or office.
Size: 30.7x13.5x13cm. Removable cover for easy access. Support for tablets and phones. Technical material: ABS.
These sides are open to support heat dissipation and create a safer charging environment. Likewise, the bottom of the box and the lid also have ventilation.
Multifunctional lid: The lid of the box has slots and holes that allow the placement of tablets and mobile phones. The power cables necessary to charge these devices can pass through these holes, thus hiding them from the table and leaving it clear of annoying cables.
