EW1558

Flexible Cable Wrap Sleeve wiith Hook and Loop fastener, 2000x100mm

• Organize and protect all your cables
• Essential to organize your cables giving a clean and tidy look. Keeps cables organized without more cluttered wires in your home and office
• Total length of 2000 millimeters and a width of 100 millimeters. Holes can be made on its surface for a precise cable exit where needed.

DESCRIPTION

It allows you to cut it into sections of different lengths, make holes in it, bend it, fold it, etc. It is equipped with an Velcro closing system that makes it easy to store the cables inside. The cables will not slip out of the sleeve.
Made of Polyester of great resistance and high flexibility, it protects your cables from footsteps, tangles and accidental hooks. Fundamental and essential if you have pets or in areas where there are animals. This case will occasionally protect your wires from animal bites and scratches.

TECHNICAL
