DESCRIPTION

The EW1539 TV Cart fits most 37"-70" TVs, ideal for various areas including home, offices, conferences, restaurants, hospitalities and more. Four height settings of the mounting plate allow for adjusting to the desired height. The toolless tilt adjustment provides the optimal viewing angle. Height-adjustable camera shelf included is ideal for teleconference meetings. Two locking casters make this TV cart easy to move and stop at will. The height adjustable equipment shelf provides an extra storage for small devices. Integrated cable management keeps a clean appearance.
