- Additional Shelf for equipment or materials

DESCRIPTION

The heavy-duty EW1544 is perfect for TVs / LIMs that fit a maximum weight load of 150kg. The wall plate can be adjusted for the ideal viewing height. The convenient AV support shelf organizes and maximizes your space—holding up to 20kg, it's the optimum place to stow all of your AV equipment, laptops, and more. It provides a solid, yet moveable, foundation for oversized TVs. The four-locking casters provide you with the best mobility as well as the utmost stability.
