EW1563

Hook & Loop Cable Straps reusable 15mm x 10 meter length

• Indicated for extensive daily use, management and storage of wiring, fastening cables inside computers, gardening, books, etc.
• Allows you to cut it into sections of different lengths. Regardless of the number of cables you want to hold, the cables will not be loose thanks to the long length of the roll.
• Velcro® type fastening
• Reusable
• This cable tie roll is especially indicated to avoid cable clutter in the home, office, etc.

DESCRIPTION

Practical reusable cable tie and multipurpose tape
Never worry about loose or messy cables again. The Ewent EW1563 flange will allow you to keep all this collected. The dirty and messy look will disappear.

Advantages of Ewent Flanges
This type of tape is made of high quality nylon. It holds itself thanks to its Velcro®-type construction that can be held together, so you can hold cables or other products without damaging them.

Cable tie to keep your desk tidy
Hold the cables as thick as you need. Thanks to the possibility of cutting the tape to the desired length

Multipurpose tape
Use the tape on all types of products. You can hold cables, pencils, books, etc.
