• Supports screen and multimedia monitor sizes ranging from 55 to 100 inches, accommodating a maximum weight capacity of 120kg.
• Expertly crafted for educational environments, ensuring enhanced safety in classrooms, multimedia halls, and more.
• VESA compatibility covers a broad spectrum of mounting patterns: 200x200, 300x200, 400x200, 300x300, 400x300, 400x400, 600x400, 800x400, 600x600, and 800x600.
• Height adjustment from 925mm to 1600mm offers customizable viewing experiences tailored to individual preferences.

DESCRIPTION

Introducing the EW1549 Floor-Wall-Mounted Height Adjustable Stand, a revolutionary solution tailored for educational environments prioritizing safety, space optimization, and flexibility. Designed to meet the distinct requirements of classrooms, lecture halls, and various educational settings, this stand sets a new standard in reinforced safety and convenience.
Advanced Safety Features
The EW1549 eliminates the need for mobile TV carts, significantly reducing tripping hazards and ensuring a secure environment for students. By securely mounting the stand to both the floor and the wall, it minimizes the risk of accidents, offering educators and administrators invaluable peace of mind.
Optimized Space Utilization
Say goodbye to clutter and embrace enhanced space efficiency. The static floor-wall-mounted design maximizes floor space, fostering an organized and conducive learning environment. This streamlined configuration allows for unimpeded movement, ideal for dynamic classroom activities and engaging discussions.
Versatile Height Adjustment
Experience unmatched adaptability with the EW1549's impressive height adjustment range of 1100mm to 1600mm. Whether accommodating standard classrooms or expansive lecture halls, this stand ensures comfortable viewing and seamless presentations for all students. The intuitive height regulation system effortlessly raises and lowers TVs spanning from 55 inches to 100 inches, catering to diverse teaching requirements and preferences.
Empowering Teaching Solutions
Equip educators with the tools they need to deliver captivating and interactive lessons confidently. The EW1549 Floor-Wall-Mounted Height Adjustable Stand provides a stable foundation for large TVs, facilitating engaging teaching methods and multimedia presentations. By addressing safety concerns and maximizing adaptability, it empowers educators to focus on fostering meaningful learning experiences without distractions.
Elevate the educational journey with the EW1549 Floor-Wall-Mounted Height Adjustable Stand—a purpose-built solution seamlessly integrating safety, functionality, and versatility to inspire learning excellence in any educational setting.
