EW1701

Mobile charging and storage trolley for 36 notebooks/tablet

• Shelves with flexible and durable device dividers allow you to easily store and remove almost any Chromebook, laptop, or tablet
• Efficient intelligent charging system for all of your devices from one plug while protecting circuits from overloading. The charging system will provide power to the first half of the outlets for 15 minutes. When that time expires, the cart will change power to the other set, and continue to alternate sides. Once the total current is less than 14 amps, it will power all the outlets at once. The LED indicator on the outside of the cart will show you which set is currently charging
• Cable management in the front device section and separate rear power section easily organizes power supplies and routes cables to each device
• Both the device section and separate rear power section feature steel doors with 3-point key lock mechanism and the option to add your own padlock for extra security
• 5" high-grade wheels with brakes and direction lock, and a recessed push handle for maximum mobility

DESCRIPTION

The EW1701 Charging Cart allows you to easily secure, store and charge up to 36 Chromebook or notebook devices with up to 15.6” screens. It features an Intelligent charging system, shelves with flexible, durable device slots, a power supply/cable management system and best of all – it’s fully assembled for rapid deployment. Additionally, it features numbered device spaces and corresponding power supply spaces to optimize organization. The Cart also features vented doors with a 3-point key lock mechanism and the option to add your own padlock for extra security.

TECHNICAL

• Color: Black / Dark Grey
• Material: High-grade 18 gauge cold rolled steel
• Package includes: Cart / AC Power Cable / Keys
• Product Dimension: 682,6 x 580 x 1127mm
• Package dimensions: 733 x 630 x 1272mm
• Product Weigh: 92Kg
• Package Weight: 118 Kg
• Cable Management: Yes
• Charging System: Intelligent Power Sensing
• Device Slot Dimensions: 422 × 34.3 × 286 mm (16.61 x 1.35 x 11.26 in)
• Fully Assembled: Yes
• Operating Humidity: 20% to 80% RH
• Operating Temperature: -10°C to 40°C
• Storage Humidity: 20% to 90% RH
• Storage Temperature: -40°C to +60°C
• AC Cord length: 1.83m (1.00mm2)

LOGISTIC

• Product Weigth: 7500.00 g
• Retail packaging Dimension (mm): 650x650x1280
• Retail packaging Weigth: 9000 g
• Master carton Qty: 1
• Master carton Dimension (cm): 650x650x1280
• Master carton Weigth: 9000.00 kg
