USB Keyboard with Smart Car Reader - QWERTY PT layout

• USB keyboard with integrated Smart Card Reader
• Read your eID or Smart Card
• With USB Connector

DESCRIPTION

The Ewent Smart Card Keyboard is a professional, full-sized keyboard engineered for comfortable, long-term use. Its low-profile, quiet keys and sturdy tilt legs ensure ergonomic positioning, with the option to lock up position and adjust inclination for optimal comfort. Featuring an integrated Smart Card reader, it enables secure digital signature transactions on both public and private networks. Compatible with all smart cards adhering to ISO standard 7816, this USB Plug and Play interface keyboard works seamlessly with any computer or notebook.
