• Simple adapter for Italian plug 2P+E 10A and Italian/Schuko socket 2P+E 10A White color
• 1 Italian/Schuko 10A electrical socket to power 1 electrical device
• Modern design that does not take up space: all electrical outlets are easily accessible
• Safe Charging: The power strip is equipped with Children Protection

DESCRIPTION

With the EW1198 power socket it is possible to connect 1 electrical device. You can place the adapter in any wall socket in your home or in any other place such as offices, garages, warehouses, etc.
1 power socket
The EW1198 power socket has 1 socket for connecting 1 electrical/electronic device.
Compact and portable
The EW1198 wall socket is compact, practical and easy to carry in your suitcase and is ideal for adapting any electrical device (e.g. travel phone, etc.) to the (Italian) wall socket
The EW1198 features a space-saving design and only takes up limited wall space. All power outlets are easily accessible. Furthermore, the 10A Italian plug is ideal for inserting into wall sockets (Italian socket) present in small and narrow spaces!
Safe device
The device is equipped with Child protection on every single socket.
