DESCRIPTION

With the EW1197 power socket it is possible to connect 1 electrical device. You can place the adapter in any wall socket in your home or in any other place such as offices, garages, warehouses, etc.

1 power socket

The EW1197 power socket has 1 socket for connecting 1 electrical/electronic device.

Travel Adapter

Are you thinking of taking a trip to Europe for holiday or work? Are you planning to go to Germany, Spain, Portugal, Austria, Greece or Türkiye? No fear. You just have to remember to bring the handy Ewent EW1197 Travel Adapter with you.

In fact, the EW1197 wall socket is compact, practical and easy to carry in your suitcase and is ideal for adapting any electrical device (e.g. travel phone, etc.) to the wall socket (Schuko) present in one of the European countries.

The EW1197 features a space-saving design and only takes up limited wall space. All power outlets are easily accessible.

Furthermore, the 16A Schuko plug is ideal for inserting into wall sockets (Schuko sockets) present in narrow and narrow spaces!

Safe device

The device is equipped with Child protection on every single socket.
