- Powerful charging performance in a compact design by the GaNFast technology
- Charge 3 devices simultaneously
- Supports fast charging for Power Delivery enabled devices
- Charging stops automatically when battery is full
- Compact design

DESCRIPTION

Fast charging for three devices

Charge your Macbook, iPhone and AirPods at the same time with the 65W 3-port Ewent EW1323 USB-C charger. Powerful and compact thanks the GaN Fast technology. It takes advantage of up to 65W of power when using a single USB-C port. Thanks to its size, 50% less than the original 61W charger, it can be stored in a pocket or bag making it ideal for home and on the go.

GaN Fast technology.

The EW1323 USB-C charger integrates GaN Fast technology to provide high-power, safe and efficient, ultra-compact charging that does not overheat or overload the device.

Triple the charge

It integrates PD and QC 3.0 technology to provide powerful and fast charging to all devices on the market. Fast charging for iPhone and Samsung. Charge your iPhone 13 from 0 to 50% in 30 minutes and Samsung S21+ from 0 to 50% in 28 minutes

Ideal for travel

Charge your devices during the journey. The Ewent EW1323 charger has a compact and lightweight design which makes it ideal for your business or leisure trips.
