EW3218

Wireless optical mouse 800-1200-1600dpi and Silent clicks

• • USB-A Nano Receiver: Compact USB-A nano receiver included, conveniently stores in the mouse to avoid losing it.
• • Optical Sensor and DPI Switch: Features an optical sensor and a DPI switch with 800, 1200 and 1600 options. Choose your preferred level of precision and accuracy to suit different activities and preferences.
• • Intelligent Power Saving: Features an intelligent power saving function, optimizing battery power to extend battery life.
• • Wireless Range: Enjoy a wireless range of up to 10 meters, offering flexibility in device placement.
• • Silent Buttons: Silent Click buttons offer a quiet and discreet clicking experience, creating a more peaceful working environment.
• • On/Off Switch: Equipped with a convenient On/Off switch, useful for preventing battery drain when the mouse is not in use. This feature ensures optimal energy efficiency and prolongs battery life.
• • Versatile Buttons: The mouse features 4 buttons and a scroll wheel, providing versatility in functionality for a variety of tasks and applications.

DESCRIPTION

For added convenience, the USB-A Nano wireless receiver elevates functionality. The compact receiver can be stored neatly inside the mouse itself, preventing misplacement and contributing to a clutter-free workspace. This thoughtful design ensures that the essential receiver is always within reach when needed.
Wireless Technology
Expand your flexibility by enjoying a wireless range of up to 10 meters. This extended range allows you to control your devices from a distance, giving you the freedom to arrange your devices for a more organized and efficient workspace.
Silent Operation
To further enhance your work environment, our mouse is equipped with silent click buttons. These buttons provide a quiet and discreet clicking experience, promoting a more peaceful atmosphere and reducing interruptions in shared or quiet environments.
Optical Sensor and DPI Switch
Increase your precision with the optical sensor and DPI switch, with options of 800, 1200 and 1600. Customize the precision of your mouse to perfectly suit various tasks and personal preferences.
On/Off Switch
Featuring a convenient On/Off switch, this mouse is designed to avoid unnecessary battery drain when not in use. Enjoy optimal power efficiency, extending overall battery life for sustained performance.
Versatile Buttons
Featuring 4 buttons and a scroll wheel, this mouse offers versatile functionality for a wide range of tasks and applications. Experience improved control and efficiency in your daily computing tasks.

TECHNICAL

• Optical sensor: selectable 800 / 1200 / 1600 dpi
• Connection type: Wireless 2.4 GHz USB-A nano receiver
• Buttons: 4 and scroll wheel
• Left or right handed
• Energy saving: Automatic standby, On/Off switch
• Material: ABS
• Battery: 1xAA battery (included)
• Dimensions: 100x60x37mm
• Color: Black
