TECHNICAL

• Compatibility
• The EW3242 mouse offers an unmatched solution for effortless multi-device and multi-OS compatibility. Easily switch between two devices, each running a different operating system, be it Windows, macOS, iOS, Android or ChromeOS, providing unmatched versatility to handle various computing tasks.
• Dual Connection
• This innovative mouse stands out with its dual connectivity options, supporting both Bluetooth 5.2 and 2.4GHz connections. This not only gives you flexibility in choosing your preferred connection, but also ensures reliable performance across a range of devices and scenarios.
• Built-in USB-A Nano Receiver
• For added convenience, the USB-A Nano wireless receiver elevates functionality. The compact receiver can be stored neatly inside the mouse itself, preventing misplacement and contributing to a clutter-free workspace. This thoughtful design ensures that the essential receiver is always within reach when needed.
• Convenient Charging
• Forget the hassle of replacing batteries. This mouse is rechargeable via the included USB-C cable, ensuring you always have the power you need.
• Wireless Technology
• Expand your flexibility by enjoying a wireless range of up to 10 meters. This extended range allows you to control your devices from a distance, giving you the freedom to arrange your devices for a more organized and efficient workspace.
• Silent Operation
• To further enhance your work environment, our mouse is equipped with silent click buttons. These buttons provide a quiet and discreet clicking experience, promoting a more peaceful atmosphere and reducing interruptions in shared or quiet environments.
• Adjustable DPI

• Achieve the perfect level of precision with three adjustable DPI settings (800/1200/1600). Whether you're working on detailed projects or casually browsing, enjoy greater accuracy and control.
• RGB Lights
• The mouse is equipped with convenient RGB lights that make it ideal for Gaming uses and in work or home environments with little/poor lighting
• Elegant and Ultra-slim Design
• The EW3242 has an elegant and ultra-slim design: in fact, it has a height of only 24mm which makes it perfect for business or pleasure trips
