EC1048

USB-C 90 Degree Magnetic Adapter, USB4, PD 140W, 8K60Hz Video

• Advanced Performance: This magnetic adapter complies with the latest USB4 standard, ensuring backward compatibility. It supports up to 40Gbps data transmission, 140W working power, and 8K@60Hz video output, completely replacing the USB C port.
• Safety and Reliability: The robust magnetic adapter design ensures a stable connection. The integrated LED light indicates the status of the connection, while the automatic magnetic connection minimizes wear and tear when inserting and extracting cables.
• 90-Degree Ergonomic Design: The 90-degree USB C adapter allows for optimal cable extension direction, preventing damage to the device caused by voltage on the USB C port and extending its lifespan.
• Superior Quality: Made of a high-quality aluminum alloy shell, this adapter is durable and strong. The ultra-compact design makes it easy to transport and store. It requires no additional drivers or software, ensuring a plug and play experience.
• Extended Compatibility: Compatible with a wide range of USB Type-C devices, including Steam Deck, Switch, Oculus Quest, VR, game consoles, PCs, laptops, tablets, and smartphones.
