EC1049

USB-C 90 Degree Magnetic Adapter, USB4, PD 100W, 8K60Hz Video

• Advanced Performance: This magnetic adapter complies with the latest USB4 standard, ensuring backward compatibility. It supports up to 40Gbps data transmission, 100W working power, and 8K@60Hz video output, completely replacing the USB C port.
• Safety and Reliability: The robust magnetic adapter design ensures a stable connection. The integrated LED light indicates the status of the connection, while the automatic magnetic connection minimizes wear and tear when inserting and extracting cables.
• 90-Degree Slim Design: The 90-degree USB C adapter allows for optimal cable extension direction, preventing damage to the device caused by voltage on the USB C port and extending its service life.
• Superior Quality: Made of a high-quality aluminum alloy shell, this adapter is durable and strong. The ultra-compact design makes it easy to transport and store. It requires no additional drivers or software, ensuring a plug and play experience.
• Extended Compatibility: Compatible with a wide range of USB Type-C devices, including Steam Deck, Switch, Oculus Quest, VR, game consoles, PCs, laptops, tablets, and smartphones.

DESCRIPTION

The EC1049 Slim USB-C 90 Degree Magnetic Adapter is a compact and high-performance magnetic adapter designed to enhance USB-C connectivity and longevity. Supporting the USB4 standard, it enables 40Gbps data transfer, 100W Power Delivery fast charging, and 8K @ 60Hz video output. Its slim 90-degree design optimizes cable routing, reducing strain on the USB-C port and extending the device's lifespan. The magnetic connection ensures a stable and secure link, while the LED indicator provides connection status at a glance. Constructed from premium aluminum alloy, this ultra-compact adapter is durable, portable, and widely compatible with laptops, gaming consoles, tablets, and smartphones.

TECHNICAL

• Connection Type: Slim USB-C™ 90° Magnetic Adapter
• Standard: USB4 (backward compatible)
• Data Transfer Speed: Up to 40Gbps
• Power Delivery: 100W
• Video Output: 8K @ 60Hz
• Material: High-quality aluminum alloy
• Design Features:
• Slim, 90-degree angle to reduce port stress
• Magnetic connection for enhanced stability
• LED indicator for connection status
• Compatibility:
• Steam Deck, Nintendo Switch, Oculus Quest, VR
• Gaming consoles, PCs, laptops, tablets, and smartphones
• Installation: Plug & Play (no drivers required)
