

EW5680

1000ml Screen Cleaning Kit with 30x30cm Microfiber Cloth

- Suitable for use on LED, LCD, and other types of screens. Keep your valuable devices clean!
- 1000ml cleaning solution for LED, LCD, and other types of screens, lenses, glass, fiber optics, plastic, and printer surfaces.
- Antistatic: attracts fine dust, ideal for cleaning delicate electronic devices. Antibacterial: SGS tested. Made from a blend of plant extracts; fully biodegradable, alcohol-free, and ammonia-free. Dermatologically safe, non-abrasive, and odorless.
- Extremely soft, lint-free, and 100% safe for cleaning dust, streaks, smudges, fingerprints, oils, and marks from screens, glasses, lenses, binoculars, telescopes, jewelry, and other delicate surfaces. No streaks or drips.
- High-quality, tightly woven microfiber cloth: easy to wash and quick-drying. Hand wash with water only — do not use detergent or fabric softener. Do not bleach. Air dry only.
- Spray nozzle with rotating control switch offering 3 modes: spray for quick cleaning; stream for large surfaces; off for locking.
- Includes a dosing nozzle, ideal for using the EW5680 bottle as a refill for other Ewent models: 100ml (EW5668), 200ml (EW5671), and 500ml (EW5678).
- Please check your device's manual before using the cleaning liquid.

DESCRIPTION

The Ewent EW5680 Screen Cleaning Kit helps you keep your valuable devices clean. It offers easy and deep cleaning for PC screens and other peripherals, effectively removing dust and fingerprints. The special antibacterial formula, SGS tested, together with the ultra-soft microfiber cloth, ensures streak-free and drip-free cleaning. The formula is alcohol- and ammonia-free, skin-safe, and antistatic. The spray nozzle includes a rotating control switch with 3 settings: spray for quick cleaning, stream for large areas, and off for safety lock.

It also comes with a dosing nozzle, making the 1000ml EW5680 bottle perfect for refilling smaller Ewent bottles: 100ml (EW5668), 200ml (EW5671), and 500ml (EW5678). Eco-friendly cleaning: all spray bottles can be reused multiple times once empty, thanks to the EW5680 1000ml refill bottle!

TECHNICAL
