EW7069

USB 3.2 Gen1 Hard Disk Enclosure SATA 2.5". Screwless, USB-A

- SuperSpeed USB 3.2 Gen1 – Fast and reliable connectivity for seamless data transfer.
- Boosted Performance – UASP support ensures higher transfer speeds and reduced latency.
- Universal Compatibility – Fits all 2.5-inch SATA HDDs and SSDs up to 9.5 mm thickness.
- Tool-Free Convenience – Screwless design for quick and effortless installation.

DESCRIPTION

Fast, Simple, and Reliable Storage Expansion
Upgrade your storage experience with our 2.5" SATA HDD/SSD enclosure, built for speed, convenience, and universal compatibility.
SuperSpeed USB 3.2 Gen1
Enjoy fast and reliable data transfer, ensuring smooth backups, file sharing, and daily use.
Boosted Performance with UASP
With UASP (USB Attached SCSI Protocol) support, you get higher transfer speeds and reduced latency, delivering a more efficient workflow.
Universal Drive Compatibility
Supports all 2.5-inch SATA HDDs and SSDs up to 9.5 mm thickness, making it the perfect solution for repurposing old drives or expanding storage.
Tool-Free Convenience
Featuring a screwless, tool-free design, installation and drive swaps are quick and effortless—no tools required.
