

EW1500

Slim No-Stud TV Wall Mount for 32"–100" Screens, Max VESA 1000x600 and 75Kg

- Suitable for Drywall: installs securely with no drilling required
- Picture-Hanging Installation: quick, simple, and hassle-free setup
- Ultra-Slim Profile: keeps your TV close to the wall for a clean, modern look
- Heavy-Duty Construction: engineered for superior strength and long-lasting durability
- Slide-In Mounting System: allows fast, easy attachment and removal of your TV

DESCRIPTION

Experience effortless TV mounting with the EW1500 Compact No-Stud TV Wall Mount—engineered for strength, simplicity, and sleek modern design.

Compact yet exceptionally strong, the EW1500 supports TVs up to 75 kg, offering reliable stability without the need for drilling or locating wall studs. Perfect for drywall installation, it uses a picture-hanging style system that lets you mount your TV in just minutes, creating far less wall damage compared to traditional brackets.

Thanks to its ultra-slim profile, your TV sits closer to the wall, delivering a clean, modern, space-saving look that complements any interior décor. The convenient slide-in design allows fast, secure attachment and easy removal of your TV whenever needed—ideal for quick adjustments or future upgrades.

Built with heavy-duty materials for long-lasting durability, the EW1500 combines engineering strength with user-friendly convenience. Additionally, its reduced packaging size significantly cuts storage and shipping costs, making it an excellent choice for e-commerce sellers looking to optimize logistics while providing customers with an exceptional mounting solution.

Whether for home use, commercial settings, or online retail, the EW1500 delivers the perfect balance of simplicity, performance, and efficiency.
