DESCRIPTION

The EW1521 TV Wall Mount delivers outstanding flexibility and convenience for both home and office environments. Designed for smooth, effortless motion, it enables easy tilt, swivel, and extension adjustments—allowing viewers to achieve the perfect angle from virtually any position in the room. Whether optimizing comfort, reducing glare, or maximizing visibility, this mount ensures an exceptional viewing experience every time.
Its versatile articulating design supports multiple TV positions, providing greater control over screen placement while helping save valuable space when retracted. The detachable wall plate simplifies installation, making setup fast and hassle-free, even in challenging mounting locations.
For added comfort, the free-tilting feature allows quick forward and backward angle adjustments, while the swiveling arm(s) provide maximum viewing flexibility—making every seat in the room feel like the best seat. Integrated cable management keeps wires neatly organized and maintains a clean, streamlined appearance.
Combining functionality, convenience, and user-friendly features, the EW1521 is the ideal solution for anyone looking to elevate their viewing experience with a mount that adapts perfectly to their needs.
