DESCRIPTION

The 25-litre ultralight foldable backpack is designed to offer maximum functionality with minimal weight. Its dimensions of 40 × 30 × 20 cm comply with Ryanair’s cabin baggage requirements, allowing you to travel comfortably without paying extra fees.
Made from waterproof 210D Nylon, it combines durability and lightness. It folds easily into its integrated pouch, taking up very little space when not in use. Inside, it features a compartment for a tablet or laptop up to 14 inches, as well as three external pockets that make organization easier.
The breathable shoulder straps ensure comfort even during extended use, and the reflective strip adds an extra level of safety for nighttime travel or urban environments.
A practical, lightweight and versatile backpack, ideal for travel, daily use and outdoor activities.
