- 360° Swivel Ceiling Mount – Allows flexible positioning for optimal viewing from multiple angles
- Adjustable Vertical Rail – Easily set the TV to your preferred viewing height
- Space-Saving Solution – Keeps the screen and arm out of the way when folded up

#### DESCRIPTION

The EW1511 Folding Ceiling TV Mount is a smart, space-saving solution for mounting your TV in places where wall mounting isn't possible. It's perfect for use under cabinets, in home offices, kitchens, workshops, or rooms with sloped ceilings.

Thanks to its fold-up locking design, the TV can be neatly folded away when not in use, keeping your space clean and uncluttered.

The mount supports 23" to 55" TVs and holds up to 20 kg (44 lbs), making it suitable for most modern flat-screen TVs.

Built from durable aluminum and steel, the EW1511 is strong yet lightweight. The 360° swivel ceiling mount lets you easily adjust the screen for the best viewing angle, while the adjustable vertical rail allows you to set the TV at the height that's most comfortable for you.

Easy to use, flexible, and reliable, the EW1511 is an ideal choice for anyone looking for a practical and stylish ceiling TV mounting solution.
