• Built-in Allen key holder for easy adjustments
• Includes desk clamp and grommet mount for flexible installation
• 3 pivot points for perfect screen positioning
• Full motion adjustment: tilt, swivel and rotate
• Ergonomic design to improve comfort and reduce neck and back strain

DESCRIPTION

Improve your workspace organization and ergonomics with this universal desk mount for monitors up to 34” and 9 kg. Designed for convenience and flexibility, it allows you to position your screen exactly where you need it for maximum comfort and productivity.
The mount is compatible with VESA 75×75 and 100×100 standards, ensuring wide compatibility with most monitors on the market. Its design enables quick and easy monitor installation, making setup fast and hassle-free.
An integrated cable management system keeps cables neatly organized and out of sight, helping maintain a clean and tidy desk. For added practicality, the mount also features a built-in Allen key holder, allowing you to make adjustments quickly whenever needed.
The package includes both a desk clamp and a grommet mount, offering flexible installation options to suit different desk configurations.
Thanks to its three pivot points and full-motion adjustment, the mount allows smooth tilt, swivel, and screen rotation, making it easy to achieve the perfect viewing angle.
Its ergonomic design helps improve posture and reduce neck and back strain, making it ideal for long hours of work or study.

TECHNICAL
