- Built-in Allen key holder for easy adjustments
- Includes desk clamp and grommet mount for flexible installation
- 3 pivot points for perfect screen positioning
- Full motion adjustment: tilt, swivel and rotate
- Ergonomic design to improve comfort and reduce neck and back strain

DESCRIPTION

Enhance your workspace efficiency and ergonomics with this universal desk mount designed for two monitors up to 32” and 9 kg each. Ideal for multitasking and professional setups, it allows you to keep both screens perfectly positioned for improved productivity and comfort.
The mount is compatible with VESA 75×75 and 100×100 standards, ensuring broad compatibility with most monitors available on the market. Its smart design enables quick and easy monitor installation, allowing you to set up your workstation in just a few minutes.
An integrated cable management system helps keep cables organized and out of sight, maintaining a clean and professional-looking desk. For added convenience, the mount also features a built-in Allen key holder, making it easy to perform quick adjustments whenever necessary.
The package includes both a desk clamp and a grommet mount, providing flexible installation options to fit different desk types and configurations.
With three pivot points per arm and full-motion adjustment, you can easily adjust tilt, swivel, and screen rotation to achieve the ideal viewing angle for both monitors.
Its ergonomic design helps promote a healthier working posture while reducing neck and back strain, making it perfect for long hours at the desk.
