EW1502 r2

Slim Fixed TV Wall Mount, 32" up to 75"

• Picture hanging style for fast and easy installation
• Ultra-slim 22 mm profile for a low wall distance
• Strong steel construction with 45 kg load capacity (3× strength tested)
• Wide compatibility: fits 32"–75" TVs, including curved models
• VESA compatible from 50×50 up to 400×400
• Open architecture for better ventilation and cable access
• Integrated bubble level for accurate alignment

DESCRIPTION

Enhance your home entertainment setup with this slim fixed TV wall mount, designed to deliver a clean, modern look while keeping installation simple and intuitive. With its picture hanging–style mounting system, setup is quick and straightforward, making it easy to achieve a professional result without complicated tools or processes.
The ultra-slim 22 mm profile keeps your TV close to the wall, creating a sleek, low-profile appearance that blends seamlessly into any living space. Crafted from high-strength steel and tested well beyond its rated capacity, the mount securely supports TVs up to 45 kg, ensuring long-lasting stability and reliability.
Compatible with a wide range of screen sizes from 32" to 75", including curved models, it supports VESA patterns from 50×50 up to 400×400, offering excellent versatility across different TV brands and designs. The open architecture not only improves airflow to help prevent overheating but also allows easy access to cables for a tidy and functional setup.
An integrated bubble level is included to ensure precise alignment during installation, helping you achieve a perfectly positioned screen with minimal effort. This wall mount combines durability, compatibility, and refined design to provide a dependable and space-saving solution for mounting your TV.
