EP1953

19" 1U Cable Management Panel with 5 Plastic Rings

- 19" cable management panel
- 1U rack height
- Equipped with 5 plastic cable management rings
- Integrated cable pass-through openings
- Ideal for horizontal cable organization
- Durable steel construction
- Black powder-coated finish (RAL 9005)
- Helps maintain a clean and professional rack appearance
- Reduces cable strain and prevents cable tangling
- Improves accessibility during installation and maintenance
- Compatible with all standard 19" racks and cabinets
- Easy installation

DESCRIPTION

The 19" 1U Cable Management Panel with 5 Plastic Rings is designed to provide efficient cable organization and routing within standard 19" racks and cabinets.
Featuring five integrated plastic cable rings and dedicated cable pass-through openings, the panel helps organize network, telecommunications, power, and security cables, ensuring a clean, structured, and professional installation.
Manufactured from high-quality steel and finished with a durable RAL 9005 black powder coating, the panel offers excellent durability and long-term reliability in professional IT and networking environments.
The open-frame design allows cables to be easily routed between rack equipment while maintaining proper bend radius and reducing cable stress. This simplifies installation, troubleshooting, and future maintenance activities.
Occupying only 1U of rack space, the panel provides an effective solution for improving cable management and maximizing cabinet organization.
Ideal for structured cabling systems, data networks, telecommunications infrastructure, CCTV installations, and server environments, the 19" 1U Cable Management Panel with 5 Plastic Rings is an essential rack organization accessory.

TECHNICAL

- General
- Product Type: Cable Management Panel
- Rack Standard: 19"
- Rack Height: 1U
- Number of Cable Rings: 5
- Ring Material: Plastic
- Ring Type: Open Cable Management Rings
- Cable Pass-Through Openings: Yes
- Color: Black RAL 9005
- Construction
- Material: Powder-Coated Steel
- Finish: RAL 9005 Black
- Ring Material: Plastic
- Mounting Type: Rack Mount
- Installation
- Compatible Rack Width: 19"
- Required Rack Space: 1U
- Package Contents

• 19" 1U Cable Management Panel with 5 Plastic Rings
• Mounting Screws
• Cage Nuts
