EP1954

19" 1U Cable Management Panel with Cover

• 19" cable management panel with cover
• 1U rack height
• Finger duct design for efficient cable routing
• Removable front cover for a clean and professional appearance
• Provides concealed cable management
• Ideal for horizontal cable organization
• Durable steel construction with plastic cable fingers
• Black powder-coated finish (RAL 9005)
• Improves rack organization and airflow
• Simplifies cable installation and maintenance
• Compatible with all standard 19" racks and cabinets
• Easy installation

DESCRIPTION

The 19" 1U Cable Management Panel with Cover is designed to provide professional cable organization and protection within standard 19" racks and cabinets.
Featuring a finger duct cable management design, the panel allows network, telecommunications, and power cables to be neatly routed and separated while maintaining easy access for future modifications and maintenance.
The integrated removable front cover conceals the cabling, creating a clean and professional rack appearance while protecting cables from accidental contact and helping maintain an organized installation.
Manufactured from high-quality steel with durable cable management fingers and finished in RAL 9005 black powder coating, the panel delivers excellent durability and long-term reliability in demanding IT, telecommunications, and security environments.
Occupying only 1U of rack space, it provides a space-efficient solution for organizing high-density cabling while improving accessibility and reducing cable clutter.
Ideal for data centers, server rooms, telecommunications cabinets, structured cabling systems, and network installations, the 19" 1U Cable Management Panel with Cover is an essential accessory for maintaining a tidy and professional rack infrastructure.

TECHNICAL

• General
• Product Type: Cable Management Panel with Cover
• Rack Standard: 19"
• Rack Height: 1U
• Cover Type: Removable Front Cover
• Cable Management Type: Finger Duct
• Color: Black RAL 9005
• Construction
• Material: Powder-Coated Steel
• Finish: RAL 9005 Black
• Cable Fingers Material: Plastic
• Mounting Type: Rack Mount
• Installation
• Compatible Rack Width: 19"
• Required Rack Space: 1U
• Package Contents
• 19" 1U Cable Management Panel with Cover
• Mounting Screws

• Cage Nuts
