EP1955

19" 1U Cable Management Panel with Brush

- 19" cable management panel with brush strip
- 1U rack height
- Integrated brush insert for cable routing and protection
- Ideal for horizontal cable management
- Helps reduce dust ingress into the cabinet
- Maintains a clean and professional rack appearance
- Allows flexible cable entry and exit
- Durable steel construction
- Black powder-coated finish (RAL 9005)
- Compatible with all standard 19" racks and cabinets
- Easy installation

DESCRIPTION

The 19" 1U Cable Management Panel with Brush is designed to provide clean, efficient, and professional cable management within standard 19" racks and cabinets.
Featuring an integrated high-density brush strip, the panel allows network, telecommunications, power, and fiber optic cables to pass through while helping to conceal cable openings and maintain an organized rack environment.
The brush design provides effective cable guidance while reducing dust ingress and improving the overall appearance of the installation. It also helps preserve airflow management by minimizing open spaces within the rack.
Manufactured from high-quality steel and finished with a durable RAL 9005 black powder coating, the panel delivers excellent strength and long-term reliability for networking, telecommunications, data center, and IT applications.
Occupying only 1U of rack space, it provides a practical solution for organizing cable entry and exit points while maintaining easy access for future installations and maintenance operations.
Suitable for structured cabling systems, server cabinets, telecommunications infrastructure, and professional network installations, the 19" 1U Cable Management Panel with Brush is an essential accessory for creating a clean and well-organized rack environment.

TECHNICAL

- General
- Product Type: Cable Management Panel with Brush
- Rack Standard: 19"
- Rack Height: 1U
- Cable Management Type: Brush Strip
- Brush Insert: Included
- Color: Black RAL 9005
- Construction
- Material: Powder-Coated Steel
- Finish: RAL 9005 Black
- Brush Material: Nylon
- Mounting Type: Rack Mount
- Installation
- Compatible Rack Width: 19"
- Required Rack Space: 1U
- Package Contents
- 19" 1U Cable Management Panel with Brush
- Mounting Screws
- Cage Nuts
